

made with love in appreciation for all you do

A NURSE'S SURVIVAL KIT

Lifesaver: remind you that you are a real life saver

Mint: remember your compassion is worth a mint

Button: remember sometimes you may need to button your lip

Snickers: remind you laughter really is the best medicine

Lollipop: help you lick any problems you face

Starburst: for when you need a quick burst of energy

Tootsie Roll: to just let complaints roll off your back

Candle: for the times when you feel completely burnt out

Marbles: to replace the ones you might lose

Stick of Gum: to help you get through a sticky situation
